

Our Vision and Aims

As a Christian community, we who worship at St George's Church have a special interest in the Anglican Parish of Swallowbeck, and the South Lincoln area. We aim to demonstrate God's love through a range of activities for all ages and welcome all who would like to join with us; Swallow's Nest is part of our service to the community.

Swallow's Nest Pre-school receives spiritual care from St. George's Church.

Aims:

- **To provide a rich and exciting range of educational activities and experiences in line with the requirements of the Early Years Foundation Stage.**

- **To promote Christian values and beliefs in welcoming and supporting children as they develop their unique personalities and aptitudes and by caring for everyone, children and parents alike, working in partnership with parents to do the very best for each child.**
- **To provide a stimulating environment in which good relationships can flourish and where children can grow in confidence to explore and understand their world.**
- **To foster an 'attitude of gratitude' by teaching children to be grateful for the good things they enjoy and to think about those who are not so fortunate by supporting charitable projects. For example, the children may take part in a Harvest festival and bring gifts to pass on to the homeless.**

The needs of the Preschool and staff are supported in practical ways by the Christian community and through prayer. Prayer requests can be made and are enthusiastically received.
